Jim reminded everyone of the scoring process, the points index as it stood online at [websites4sports](http://websites4sports.com) and discussed some outstanding issues to resolve

B. Gathering of Information – websites4sports.com

The committee reviewed the current standings and Jim indicated he had received follow up from Sallies that they believed there was a mistake with the Mastery Charter School Shoemaker Campus (PA) being a division 2 school.

C. Schools Out of State records – Problems or concerns

The committee discussed Mastery Charter School Shoemaker Campus (PA) and determined based on information provided by PIAA, Master Charter athletic director, State enrollment data the Master Charter was a Co-Op football team. Their enrollment as a single school would have placed them in division II, however based on the COOP status they are to be considered a Division I school. The committee made the change.
